I, Daryl Treft, being of sound mind and body, will my black book to Bob Hertel to use with caution.

I, Joe Waller, being of insane mind and superior-shaped body, will my fabulous wrestling techniques and counter moves to my younger brother, Jeff, and I give my "God's gift to women" image to my even younger brother Jerry.

I, Tammy Webb, being of sound mind and body, will my ability to get up at 6:30 in the morning to go to morning class to anyone dumb enough to want it.

I, Jeff Wingate, being of unsound mind and long body, will my drawing ability to Greg P. and Jim F. and my basketball ability to Davey B.

I, Sherie Sines, of solemn mind and body will to Bruce Mutchler the times after school in Annual Staff, to Paula Vandersall my times in band, and to Matt Halliday my cheering at the games.

Yuichi Abe

阿部祐一

I.F.I.

Chris,
This year at Van Buren was great to me. I had so many friends here, and they all tried to make my stay here comfortable, & fun. Sure enough, you are one of them. Thank you for all the fun we had at Buren.
Y. f. A Yuichi.

Yuichi Abe, a native of Japan, was the International Fellowship, Inc. representative to our school this year. It has been a good year for all of us. We have not only enjoyed Yuichi's company, but we have also learned some things about his native land.

Differences between the United States and Japan have created some problems for Yuichi, but he has overcome them very well. He has made many friends who will remember him long after he has returned home. It is hoped that Yuichi has benefitted as much from us as we have from him. Yuichi expressed appreciation to the families who made room for him in their homes.

We all wish you a long and happy life, Yuichi.

HOMECOMING COURT 1976

Judy is crowned.

On the cold, windy evening of October 15, 1976, our Queen Judy France, was crowned by the former Homecoming Queen, Karen Stacy, Although the Black Knights were defeated by Cory Rawson, neither the girls or the team gave up hope.

The following night a dance was sponsored by the senior class in honor of the Queen and her lovely court. Music was provided by a sound system.

Which way do we go?

Why Findlay?

Going away to school has its advantages. But have you considered the advantages of going to a school near your home?

1. The people you've made contact with during your high school years don't lose track of you for four years. They can watch you grow from a high school graduate into a mature thinking adult - and perhaps provide some of the guidance and experiences that help you along your way.

2. The people you'll meet at college - local teachers, principals, and business people - are all leaders in your community. And if you plan to live in the Hancock County community after graduation, these same people will be in position to hire you for your first job.

3. You can live at home and save some of the high costs of education.

4. And if you live at home, you're more likely to keep up with a part-time job - helping you make the money you'll need at college and the contacts you'll need when you're ready to start your career.

How about it? Is it worth looking into? Contact the Admission Office at Findlay College, 422-8313.

"This One's for You"

On a romantic evening, May 14, 1977, the Junior class honored the Seniors with the prom, "This One's For You." It was centered around a Southern atmosphere. Music was provided by "Oasis." The post prom included a movie - "Fun With Dick and Jane," bowling at Sportman Lanes, with breakfast and swimming at the Y.M.C.A.

"I hate those gutter balls!"

"I'll do anything to get attention."

"Twinkle Toes?"

"What form!"

"Lori, I'm sorry, it won't happen again."
